

Bohdan

ANDRIY

FULLSTACK DEVELOPER

Experience

Freelancer | Fullstack Developer

Aug 2023 - Present

I am a full stack developer with experience developing fast and responsive web applications. I specialize in React, Node.js, and MongoDB, and have developed user-friendly websites and web apps, working on both the front-end and back-end.

Tech Leap Solutions | Mobile App Developer

Feb 2022 - Aug 2023

I am a mobile app developer with experience building apps for iOS and Android using React Native and Flutter. I have developed fast and easy-to-use apps with clean design and smooth performance from start to finish.
